introstars • monetise your black book

😬 B2B lead-gen focuses on AI cold outreach spamming prospects with diminishing returns
🔥 but large deals require **warm intros**

👋 Many B2B companies offer a paid referral program
👛 but not on any platform to share it & **attract introducers**

🙏 Many super connectors & introducers would like to earn money from referrals
📊 but there's no platform to track it and **guarantee they get paid**

💰 Everyone loves to make intros to help others, and looking for side-hustles
👤 but there's no obvious way to **find paid referral programs**

introstars
